ABOUT US

PT. Keama Bangun Semesta (KSB / KBS Construction) is a construction company specializing in Structure, Architecture, MEP (Mechanical, Electrical, Plumbing), and Fabrication.

Part of BRANDA GRUP together with other sister company, we have extensive experience in projects in Greater Jakarta, Sentul City, Outer Island and government buildings.

With commitment to quality, occupational health & safety (K3), and on-time delivery, we are your trusted partner for government, industrial, and commercial building projects.

Building Strong Foundations for the Future.
